## *A word from Fr. Bill...*

Dear Parishioners:

Alleluia! Alleluia! Alleluia!

It has been a long time (February 19th, seven weeks ago (except for the Feast of St. Joseph) since we have been able to say or sing "Alleluia" at Mass. It feels liberating to be able to do so. Lent has been a time of scrutinizing ourselves as Ted Baker has been doing as he prepares to become in full union with us in the Catholic Church next Sunday evening. In other words, Lent has been a time of self-reflection, thoroughly looking at ourselves, and resolving to respond better to God's invitation to share in God's life. At Easter, we say that we believe in God, that we reject sin, that we reject the glamour of evil and that we refuse to be mastered by sin. Alleluia!

At the Easter Vigil, we move from darkness to light. We light the fire outside and from it we light the Paschal Candle (which will be lit at every baptism and funeral in the next year) and from the Paschal Candle each person has his/her candle lit from another parishioner and process into the church, illuminating the dark church. We move from darkness to light and hopefully bring that light to others each day. What a gift! Alleluia!

At the Masses at Easter, we bless the Easter water. It is this water by which we will be sprinkled when we renew our baptismal vows. It is this water which reminds us we have been washed clean in Christ. It is this water that will be placed in the Holy Water fonts to remind us each time we bless ourselves with it as we come into church that this is where the baptized gather. Alleluia!

Most importantly, we celebrate that Jesus died and rose from the dead so that we can live forever. He destroyed our death and restored our life. He has made it possible for us to live forever in total peace and joy and happiness. It is this great solemnity that we see the wonderful future God has in store for us. Alleluia!

There has been a great deal of darkness in our lives during the past year: the continuation of the lack of respect for life in general and all its ramifications, the continuation of the pandemic, the continuation of the war between Russia and the Ukraine, the continuation of the daily shootings in Philadelphia, the continuation of killing the unborn, the continuation of school shootings, the devastations that so many experienced from various weather situations, etc., etc. We all can add our own darkness to the list. We must look at what we celebrate this day to bring light. Jesus said he would be with us all our days, in all situations and in all circumstances. In the midst of darkness, we need to bring the light of the Risen Jesus into our world. Jesus has called us to dim the darkness and bring the light. Alleluia!

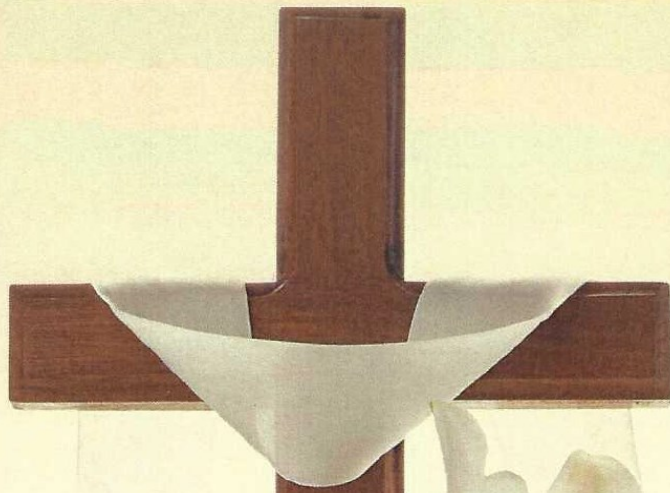

In our lives, let us joyfully proclaim the Mystery of faith: Christ has died. Christ is risen. Christ will come again. By your death and resurrection, Lord, you have redeemed the world. We proclaim your death, O Lord, and profess your resurrection until you come again. Save us, Savior of the world, for by your cross and resurrection you have set us free. Alleluia!

Have a wonderful Easter and a wonderful Easter week.
