*"Creating A Community Of Involvement And Evangelization"*

**Served by the Augustinian Friars since 1796**

St. Augustine parish is an open, diverse, and active Roman Catholic community rooted in the Gospel of Jesus Christ and founded in the Augustinian Tradition. We invite all to participate in our worship, service to others, and our faith development. These endeavors allow us to grow in the knowledge of God present in ourselves and each other.

Our community joyfully welcomes all who are searching for a spiritual center to call home.

## *A word from Fr. Bill...*

Dear Parishioners:

Last week's decision of the Supreme Court overturning *Roe v. Wade* concerning abortion has created a tremendous amount of division in our society.

As much as I applaud their decision -and I do- I firmly believe we have a long way to go.

I applaud their decision because a basic tenant of our faith (and Constitution) is to respect life at all levels. This means respecting life in the classroom, respecting the life of the homeless, respecting life at the mall, respecting life in the home (domestic violence), respecting life in the prison, respecting life on death row, and in this discussion respecting life in the womb.

I say we have a long way to go for two reasons.

The first reason is that we need to not only change laws, but also we need to change hearts so that we value the fact that every human being has been created by God, and that Jesus died for every human being. If we can change our attitudes and beliefs about the dignity of every human person, it will affect how we treat each person, in each situation, from conception to natural death. This means we return to the gospel of non-violence and that we put our time and efforts to end racism, sexism, and that we treat each person with respect-including immigrants, refugees, those of different color, and all people no matter their race, gender, or sexual orientation. We need to change hearts.

The second reason is that we need to provide more pregnancy care centers and other resources that will help and support pregnant women who do not have access to basic needs before and after the birth of the child. The centers help to provide education, counseling, clothes, health resources and child care to those who cannot afford them. I say "more" care centers because some of these centers already exist but little is known about them and there is no doubt that more will be needed. They also can help make known the various resources for adoption. I was a member of the Board of Directors of a pregnancy care center in Massachusetts (Lawrence/Haverhill) and consequently, I saw firsthand how effective they can be. I have been in touch with the Family Life Office of the Archdiocese and next week I will be able to provide links for local pregnancy health care centers.

We also need to make better known the resources the Church has for healing and reconciliation (Project Rachel) for those who have had abortions.

The decision of the Supreme Court will hopefully allow many children to live who otherwise may have died in the womb. Hopefully, it also will raise our own awareness of our gospel responsibility to love our neighbor as ourselves, how we can help pregnant women and their children who need the most basic needs.

All of this is not new. Catholics have proclaimed "The Consistent Ethic of Life" for years. In 1984 (38 years ago), Cardinal Bernadine of Chicago named it "The Seamless Garment."

May we all grow in the respect of all life "from the womb to the tomb."

Have a great week.

Fr. Bill
