## *A word from Fr. Bill...*

Dear Parishioners:

A week ago Friday, our local Augustinian Community, Fr. Paul, Fr. Jim, Fr. Rich and I, spent the day in what is called "A Chapter of Renewal." Every month we have a "House Chapter" to discuss what is happening in our lives and in our Augustinian Community. Once a year, we have the "Chapter of Renewal" where we look at every aspect of our community life: our daily prayer, meals, finances, recreation, days of recollection, and various other aspects of our community life. We discuss what is working well and where there could be improvements. After we did this last Friday, we then had a discussion on what gives us encouragement and what we see as challenges in the Church today as well in the Augustinian Order in general and our province specifically. Within the day we had several opportunities for common prayer and ended the day by going out to dinner together. The quality of our community life is a high priority for us. Some would say our community life is our first apostolate. It was a very worthwhile day. I mention this because I think it is so important to share with you the life style of the friars of the Augustinian community here at St. Augustine Parish.

As was announced for the past several weeks, last Saturday we had the first retreat day for young adults in our parish. We are very grateful to Br. Stephen Glodek, a member of the Marianist Community, for preparing and facilitating the day. As you can see on the front page of this bulletin ten young adults joined us (one is missing from the picture). We discussed "What are you experiencing with faith, Church, and life: Challenges and Blessings."

Please see the comments of some of those who participated in last Saturday's gathering:

"Getting a chance to meet other young people was a blessing. I look forward to the sessions coming up."

"I left feeling really refreshed and I am so excited about developing a community with everyone."

"I found it refreshing to reconnect with my own faith journey and be encouraged by the stories of others."

"It was so great getting to know other young adults who are also seeking community and want to grow in their relationship with God."

"I thought it was a great opportunity to reflect on the impact of the Catholic faith on our personal lives as young adults and to form relationships with others in the community."

"It was such a gift to meet more young adults in the St. Augustine's community and take time for fellowship and sharing about our experience of the Catholic faith."

"Often there are not many opportunities to sit with other young Adult Catholics and share our faith together but the retreat on Saturday allowed me to sit with others and be present. It is clear that there is a growing YA community within St. Augustine Parish."

The group decided to meet once a month, the first Saturday of the month from 11:00 AM to 12:30 PM. There will be a discussion on various issues each month from 11:00 AM to 12:00 noon and then an opportunity for adoration and confession from noon to 12:30. One of the members of the group will give a short presentation on Advent on Saturday, December 2 and then there will be a discussion on Advent.

Please inform anyone you know who might be interested in participating in this new endeavor in our parish. They can be in touch with me for more details.

Do you know anyone who is an inactive Catholic? We all do and we all feel badly about the fact that there are so many inactive Catholics. Surveys show 83% of Catholics are inactive. I mentioned in my letter last week, we as a parish are launching a process to reach out to inactive Catholics. If you are concerned about the problem, will you help us with the solution? If you are willing to be part of this process, please be in touch with me.

Have a great week.

Fr. Bill
