

Blessing of the Sister Bell

Almighty God, you are lavish in bestowing all your gifts, and we give thanks today for the favors you have given to us.

We give thanks for the gift of freedom and liberty.
We give thanks for our country that reflects freedom and liberty.
We give thanks for St. Augustine parish and the faithfulness of its parishioners in the past 226 years.

We ask that you bless this bell , the Sister of the Liberty Bell.

May those who see it be reminded of the rich history of this parish.

May those who see it be reminded of the great gift of liberty that we have within our country and we ask that you guide each of us to use the gifts of freedom and liberty to promote the common good and respect the dignity of all life.

We ask all of this through Christ our Lord.

R/. AMEN.
